

*Agreement on Academic Cooperation*

*between*

*DHI (India) Water and Environment Private Limited*

*and*

*Department of Civil Engineering,*

*The National Institute of Engineering*

*Mysore, Karnataka, India*

Concerning the development of industry-academic linkages between DHI (India) Water and Environment Private Limited and the Department of Civil Engineering (DCE), National Institute of Engineering (NIE).

DHI (India) Water and Environment Private Limited and NIE desire to collaborate and strengthen industry-academia cooperation between their respective institutions based on the principles of mutual benefits.

WHEREAS preliminary discussions were held between Professors, researchers and industry experts of both parties;

DHI (India) Water and Environment Private Limited and NIE hereby agree to the following:

*Article 1 (Objectives)*

The objective of the cooperation agreement between the DHI (India) Water and Environment Private Limited and NIE is to define the general conditions related to industry and academic cooperation and to make DCE as hub of activities in the region.

The purpose of this agreement includes, but is not limited to, the establishment of cooperation between NIE and DHI (India) in research, training and consultancy projects utilizing MIKE water modelling systems.
