CIRCULAR

All the classrooms and laboratories are now equipped with CCTV cameras as per the directions of VTU, Belagavi. It has been observed that many students are using mobile phone for playing games, watching videos, texting etc. during class hours.

All classrooms will be closely watched and if any students found using mobile phone will be penalized with **Rs.5000/-** for the first time, will not be allowed to appear for any **Semester End Exam (SEE)** for the second time and will be **dismissed** from the programme if found to be using mobile phone for the third time.
