

The National Institute of Engineering

(An Autonomous Institution under Visvesvaraya Technological University, Belagavi)

• Recognised by AICTE, New Delhi • Grant-in-Aid by Government of Karnataka

Declaration by the HEI

Extended Profile 4.2 Students admitted under reserved category

The number of seats earmarked for reserved category and the number of students admitted under reserved category varies because all the reserved category students allotted to the college by KEA will not be joining the college because they opt for second or third allotment for getting better branch option.

Further, under management quota reserved category students get admitted under general merit by paying management fee. Later they opt for free ship under reserved category. So in the final list such students are also included under reserved category.

Now HEI has given the actual students admitted under reserved category only and uploaded the data

Date: 28-08-2019
