events

- Paper Presentation Contest
- Technical Quiz
- Analog Circuit Design

Registration Fee :

Paper Presentation ₹ 200 / paper
(Max 2 persons can present)

Technical Quiz & Analog Circuit Design ₹ 50/event
(Max 2 persons per team)

Important Dates :

Last date for submission of papers : 10/04/2018
Selection intimation: 12/04/2018

Paper in IEEE (pdf) format to be sent to

Paper Presentation Topics

- Electrical Power System Engineering
- Power Electronics Converters & Drives
- SCADA / FACTS / HVDC
- Power Quality & Control
- Micro Controller & Application
- Energy Conservation & Management
- Non Conventional Energy Sources
- Microgrids & Smart Grid
- DSP, VLSI & Embedded System Applications
(Any other topics in the area of
Electrical & Electronics Engineering)

Vision

The Department will be an internationally recognized centre of excellence imparting quality education in electrical engineering for the benefit of academia, industry and society at large.

Mission

- Impart quality education in electrical and electronics engineering through theory and its applications by dedicated and competent faculty.
- Nurture creative thinking and competence leading to innovation and technological growth in the overall ambit of electrical engineering.
- Strengthen industry-institute interaction to inculcate best engineering practices for sustainable development of the society.
