FREE Webinar: Writing a Competitive Grant Proposal

www.letpub.com

85,000+ papers 900+ editors/translators 10 years of experience

Thinking about submitting a grant proposal? Anxious to learn more about research funding and grant writing but short on time? Tune into LetPub's upcoming webinar to learn how to increase your odds of winning a grant and how to draft logical, compelling arguments essential to a competitive research proposal.

Join Dr. Avriel Licciardi and Dr. Clark Holdsworth during this one-hour webinar on **Friday May 15, 8:00 EST**, as they review the basic requirements of a scientific research proposal, reveal expert tips to guarantee your work stands out from the crowd, and discuss top strategies for managing panel expectations. Come prepared with questions, as Q&A with your hosts will be available!

Webinar highlights include:

- The fundamental framework for successful grant proposals
- How to draft clearly articulated, engaging grant requests
- Expert tips for developing novel proposal ideas
- The do's and don'ts of proposal writing and grant submission
- A generalized proposal outline, applicable to most scientific research projects
- Tips for dealing with proposal rejection

Remember, you must register to follow along and ask questions during the live webinar or watch on your own schedule with the on-demand recording.

Clark Holdsworth
Senior Associate Editor,
Accdon/LetPub

Clark Holdsworth is the Publishing Innovation Lead at Accdon-LetPub. After earning his doctorate in cardiovascular physiology at Kansas State University, he developed editorial and project management expertise in the author services sector. As Publishing Innovation Lead, Clark has spearheaded the asset search and product design for the launch of novel initiatives, such as Accdon-LetPub's video summary services. He has unique insights into all aspects of scholarly publishing, including manuscript production, peer review management, and journal development.

Avriel Licciardi
Associate Editor,
Accdon/LetPub

Prior to joining Accdon/LetPub as an Associate Editor, Avriel earned her Ph.D. in Geological Science from the University at Buffalo, in addition to her Bachelor's and Master's degrees in Geology from the University of New Hampshire. Avriel has more than 12 years of research experience, including international travel and field expeditions, laboratory studies, and grant, outreach and manuscript writing expertise. In addition to publishing nine peer-reviewed articles in a variety of scientific journals, Avriel has participated in 32 conference presentations. Throughout her career, Avriel has gained an intimate understanding of the publication needs of and challenges faced by authors and is committed to helping researchers succeed by ensuring every author's work receives the attention it deserves.

Journal Acknowledgements

According to Google Scholar, our editing and translation services have been acknowledged in over 1000 research articles.
