Cite it right the first time

Leave behind the tedious work of formatting bibliographies, finding full text, and searching for references.

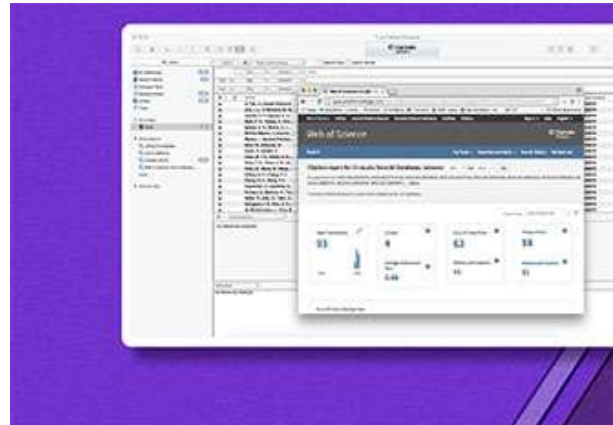

Collect, collaborate, and create, from anywhere!

Whether you're writing a paper, leading a research project, maintaining a CV, or applying for a grant, EndNote can help.

With EndNote X9 you can:

- Automatically create, format, and update bibliographies, with the convenience of remote access
- Find full text for references in one click
- Ensure bibliographic accuracy with over 7,000 predefined styles
- Share a library of references or just a portion with new group sharing options
- Manage team input by providing "write" or "read only" access to your library
