

Technical Education Quality
Improvement Programme (TEQIP-III)
sponsored

One-week Programme on

Instructional Design and Delivery

January 1-5,2018

Organised by

Computer Science Division
The National Institute of Engineering

Manandavadi Road, Mysuru - 570 008

REGISTRATION FORM

Name _____

Department _____

Institute _____

Phone/Mob. No. _____

Email ID _____

DD Information :

Amount in Rs. _____

DD No. / Date : _____

Name of the Bank _____

Signature of the Participant _____

Mr. / Mrs. _____

_____ is permitted to participate in the above programme.

Place : _____ Date : _____

Approving authority
(Signature and Seal)

Photo copies of the registration form can also be used if required.

Patron

Dr. G. Ravi
Principal

Computer Science Division

Dr. H. D. Phaneendra
Professor & Head, Dept. of CS&E

Dr. K. Raghuvver
Professor & Head, Dept. of IS&E

Mr. Girish
Associate Professor & Head, Dept. of MCA

Convenor

Dr. Yuvaraju B. N.
Professor, Dept. of CS&E

Coordinators

Mr. Lokesh S.
Associate Professor
Dept. of CS&E

Mr. Rampur Srinath
Associate Professor
Dept. of IS&E

Mr. Kiran B. N.
Asst. Professor
Dept. of IS&E

Venue

**Bharat Ratna Sarvepalli Radhakrishnan
Seminar Hall**
Administrative Block
The National Institute of Engineering

The registration form should be sent to :

Mr. Lokesh S.
Associate Professor
Department of Computer Science and Engineering
The National Institute of Engineering
Mysuru - 570 008 INDIA

The National Institute of Engineering

NIE, started in the year 1946, today stands at the 28th position among India's top 100 Engineering Colleges that include IITs and NITs and 2nd in Karnataka. Approved by the All India Council for Technical Education (AICTE), New Delhi, NIE is a grant-in-aid institution and is accredited by the National Board of Accreditation, New Delhi. It is one of the 14 colleges in Karnataka state that has been recognized and given autonomous status under Ministry of Human Resources Development-World Bank sponsored Technical Education Quality Improvement Programme (TEQIP). NIE is a recognized QIP Research Centre of AICTE.

NIE runs 7 UG, 11 M.Tech and 5 Post-graduate Diploma programmes and has 13 Centres of Excellence. The student strength is about 3200. We are carrying out many funded research projects of Central and State Governments, VTU, ISRO and McMaster University amounting to about Rs. 700 lakh.

About Computer Science Division

Computer Science division has three Departments: Computer Science and Engineering (CS&E), Information Science and Engineering (IS&E) and Master of Computer Application (MCA).

CS&E: The Department of Computer Science & Engineering, was started in the year 1983 with BE programme. It has grown by leaps and bounds over the last three decades in terms of infrastructure programmes, courses and faculty. The department offers M.Tech in Information Technology and also a recognized centre for academic research and has produced many Doctorates. The department has qualified professors as research guide and 17 candidates are pursuing Ph.D.

IS&E: The department of Information Science & Engineering was started in the year 1999. The department provides state-of-the-art computational facilities. The strength of the department has been in its diverse areas of research in which it has made a remarkable contribution. The Department offers M.Tech in Computer Network Engineering.

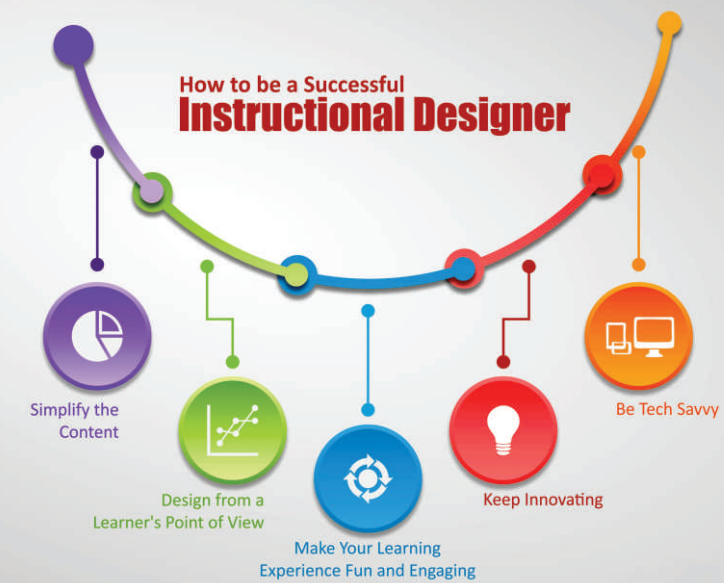

MCA: The Department of Master of Computer Applications, was started in the year 1997. The department offers Post Graduate course in Master of Computer Applications. The department takes utmost care to nurture the software skills in the budding software engineers by conducting various training programmes in high-end technologies with active assistance from its teaching staff.

About the workshop

The workshop is specially designed for the people who want to excel in teaching. A separate session for Hands-on is planned to provide proficiency for the participants. The workshop aims to enhance the delivery skills and to understand the classroom dynamics, which in-turn will facilitate the insights of teaching-learning process. Further, the workshop will provide a platform to the latest ICT tools, share the e-notes, and PPT's to the students.

How to be a Successful Instructional Designer

Target Participants

Faculty Members &
PG Students

Resource persons

Dr. Janardhanan G.

Associate Professor & Head
Centre for International Affairs, NITTTR, Chennai

Dr. Dinesh Kumar K. S. A.

Assistant Professor
Department of Civil Engineering, NITTTR, Chennai

Dr. Shanmuganeethi V.

Assistant Professor
Department of Computer Science & Engineering, NITTTR, Chennai

Registration Fee ₹ 2000/-

Registration fee includes course material, lunch and refreshments. Participants should make their own arrangements for travel and stay.

DD to be drawn in favour of "The Principal, NIE"
payable at Mysuru.

Last date for Registration

December 29, 2017

Programme Date

January 1-5, 2018
