1) Correspondence ending with letter No. FG-22/55-T4 dated 31-5-1957 from the Secretary to the Government of India, Ministry of Education and Scientific Research (Department of Scientific Research and Technical Education) regarding the inclusion of the National Institute of Engineering, Mysore and B.M.S. College of Engineering, Bangalore under the Plan of development of Technical Institutions.

2) Government Orders No. ED 11 DTE 57 dated 16-2-1957 and 29-8-1957 sanctioning the inclusion of the B.M.S. College of Engineering, Bangalore under the Scheme of development of Technical Institutions as approved by the Government of India, subject to certain conditions.

3) Correspondence ending with letter No. CMM 1239 dated 1-9-1957 from the Honorary Secretary, National Institute of Engineering, Mysore in the matter of including the National Institute of Engineering, Mysore under the Scheme of development of Technical Institutions as approved by the Government of India subject to the same conditions as in the case of B.M.S. College of Engineering, Bangalore.

ORDER NO. ED 1 DTE 57, dated 26th Oct. 1957.

The question of including the National Institute of Engineering, Mysore, under the Technical Development Scheme during the Second Five-Year Plan has been engaging the attention of the Central Government and the State Government for some time past. The Southern Regional Committee of the All India Council for Technical Education appointed a Visiting Committee, which inspected the National Institute of Engineering, Mysore, along with other institutions in 1953 and submitted their recommendations to the Southern Regional Committee. Based on these recommendations, the Co-ordinating Committee of the All India Council for Technical Education has recommended to the Government of India that the existing facilities at the National Institute of Engineering, Mysore, for degree and diploma courses in Civil Engineering be developed at the following cost, the expenditure being shared by the Central and the State Governments subject to necessary financial scrutiny:

---

**Non-recurring.**

| Buildings (Additional floor area 30,000 sq.ft, @ Rs. 12-8-0 per sq.ft.) | Rs. 3,75,000/-
| Equipment (including Library and Furniture) | Rs. 5,40,000/-
| **Total** | Rs. 9,15,000/-

**Recurring.**

| Expenditure on staff | Rs. 1,05,000/-
| Maintenance | 20,000/-
| **Total** | Rs. 1,26,000/-

---

2) As the Institution is a non-government Organisation, the above mentioned cost of development has to be shared by the Central...
Government and the State Government in the following proportion:

Non-recurring: 2/3 to be met by the Central Government and 1/3 by the State Government.

Recurring: 1/3 of the total additional expenditure to be met by the Central Government during the Plan period and the balance to be shared by the Institution and the State Government.

3) On the above basis the share of the Central Government and the State Government in respect of the non-recurring cost of development will be as follows:

**Central Government's Share.**

5) The above mentioned grant is for the purpose outlined in the annexure to this order as per recommendations of the Co-ordinating Committee of the All India Council for Technical Education and is subject to the conditions stipulated therein. The Plans of the new buildings envisaged in the development scheme of the institution should be approved by the State Public Works Department and the expenditure thereon should be within the Public Works Department Schedule of rates.

6) Quarterly progress reports indicating the progress in respect of construction of buildings and purchase of equipment and expenditure incurred thereon should be furnished to the Government of India (Ministry of Education and Scientific Research) by the Institution.

7) In the circumstances sanction is accorded to the inclusion of the National Institute of Engineering, Mysore, under the Scheme of Development of Technical Institutions as approved by the Government of India subject to the following conditions:

(1) that the cost of development be shared in the...
following proportions:

(2) that the State Government will audit the accounts of the Institution.

The Management of the institute have offered to follow the Government orders in force regarding reservation of seats for candidates belonging to the Scheduled Castes and Scheduled Tribes and the Backward classes, in respect of 50 percent of the admissions.

(3) that the institution abides by the conditions for grant as laid down by the Government of India as detailed in the annexure to this order.

8) The expenditure in this behalf during the current year will be met out of the provision of Rs. one lakh made in the State budget estimates for the year 1957-58 for the purpose under the head "38 - Education A. cc Grants to Non-Governments Professional Colleges - 3, National Institute of Engineering, Mysore".

9) The Management of the Institute is requested to reconstitute the Management Committee immediately as per the conditions noted in the annexure so that the amount sanctioned by the Government of India may be released to them.

By order and in the name of the Governor of Mysore,
