

## *Celebration of World Students' Day - 2020*

To Commemorate the birth anniversary of India's Missile man and honorable former president Dr. A. P. J. Abdul Kalam World Students' Day has been celebrated on October 15, 2020. On this occasion Department of Physics had conducted Essay competition on various topics of space science such as Approve or disapprove this statement "Space exploration is still important today", Is it ethically right to colonize other planets? Etc. There was a good response from the students of NIE for the competition. Three best essays were honoured with cash prizes. The prizes were declared in the world students' Day event which was held on October 15, 2020. The chief guest of the function was S. Hiriyanna, Group Head (Retd.), GEOSAT Program Management and System Group, Indian Space Research Organization Satellite Center, Bangalore. He inspired students about research on space science along with opportunities available to the students for internships and other programmes in ISRO. In addition to this there was also an invited lecture by Prof. Vidyaraj C., Professor, Department of Computer Science and Engineering, The National Institute of Engineering, Mysuru who enlightened students on "Bits to Qubit Quantum: Journey towards Quantum Computation". Students gave a very good feedback about the event. The event was hosted through Google Meet along with Google Streaming. On this special occasion Dr. Rohini Nagapadma, Principal NIE launched official YouTube channel of Department of Physics.
