Action Taken Report 20-21

Plan for the year AY 2020-21	Actions
Academic & Administrative audit	<p>To review the programme curriculum, evaluation and research details, an audit committee comprising one distinguished academician from IITs/NITs for each programme was constituted. Due to the phase - wise Lockdown imposed by Central/State Governments and the resulting travel restrictions, External Audit member was not possible to physically visit the institution and carry out the audit function. Audit was carried out online using digital platform. The External Academic Audit of all the academic departments was conducted online from August 2021 to September 2021. The online audits were conducted with the required standards.</p> <p>For each programme, the filled audit report and the related documents were shared with external Auditors. They were entrusted with the task of reviewing self study report submitted by the department. The departments were given the mandate to choose the schedule of the process of the academic audit to suit their convenience. Online meetings were arranged to discuss the review and document verifications.</p> <p>Based on the reports filed by AAA, the departments submitted their programme wise action plan. The report submitted to the Principal and presented to the Academic Council (AC) for further action.</p>
Research and Development Improving the Number of Index journal publication	<ul style="list-style-type: none">• NIE in participation with other Industries have developed eleven center of centre of excellence to inculcate research among the faculty and students. The institute had carried out around 3.5 crores of projects funded from various

	<p>Government agencies over a decade.</p> <ul style="list-style-type: none"> • The faculty members have published several research papers in Scopus Indexed Journal, wherein 81 papers in the year 2020 and 124 papers in the year 2021 got published.
