Proceedings of the meeting on 02.09.2020

A meeting of the PCC was conducted on 02.09.2020 at 04 PM in the CAD/CAM Lab regarding the revision of the curriculum for the PG programme in Machine Design for the batch 2020-22.

As per the discussions and the suggestions recorded in the PCC meeting held on 5th Aug, 2020 and the curriculum changes presented by Mr. Prithvi C, Programme Coordinator in the DAC meeting held on 29th Aug, 2020, the following changes are to be presented in the forthcoming BOS meeting for the approval.

- No changes for the First-Year curriculum.
- MOOC Elective I for 12 Weeks having 3 Credits and MOOC Elective II for 08 Weeks having 2 Credits courses are to be included in the curriculum for the third semester.
- Increase the Credits for Project Phase I from 7 to 8
- Increase the credit for Internship from 4 to 5.
- Change of Total Semester Credits from 14 to 19 for third semester
- Exclusion the Open Elective and Engineering Management from the third semester curriculum.
- Total credits for third semester and fourth semester will be 19 & 15 respectively.
