ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering, was started in the year 1983 with BE programme. It has grown by leaps and bounds over the last three decades in terms of infrastructure, courses and faculty. The department has received the World Bank grant under TEQIP which has been utilized for enhancing the facilities of the department and also for the faculty development programmes. The department is accredited by the National Board of Accreditation.

Outcome of the SDP

After attending this SDP, participants will be able to:

- ♦ Create, test and debug Android application by setting up Android development environment.
- ♦ Implement adaptive, responsive user interfaces that work across a wide range of devices.
- ♦ Infer long running tasks and background work in Android applications.
- ♦ Demonstrate methods in storing, sharing, and retrieving data in Android applications.
- ♦ Infer the role of permissions and security for Android applications.
