## RESOURCE PERSON

### ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering, was started in the year 1983 with BE programme and subsequently started PG - M.Tech (Information Technology). It has grown by leaps and bounds over the last three decades in terms of infrastructure, courses and faculty.

The department has received the World Bank grant under TEQIP which has been utilized for enhancing the facilities of the department and also for the faculty development programmes. The department is accredited by the National Board of Accreditation.

### ABOUT THE SDP

DevOps is a combination of process, tools, people helps to provide service and applications faster than conventional software. It is one of most practiced development methodology globally used.

Devops offers a define career path, learning same would benefit students of CS&E Branch. It also helps student to implement this concepts during mini and major project.

**Mr. Rakesh K Ramaswamy**  
Corporate Technical Trainer
