**Regulations Governing
Continuous Internal Evaluation (CIE),
Semester End Examination (SEE),
Minimum Requirement for obtaining pass Grade &
Attendance Requirement
B.E. 2022 Scheme
(Applicable to B.E. 2022-23, 2023-24 and 2024-25 admitted batch of students)**

For Circulation

This document contains pages from 1 to 21 and has the Evaluation pattern for the following L:T:P-

L:T:P	Page No.
1:0:0	3
2:0:0	4
2:2:2	5
2:0:2*	6
(Except for the course Computer Aided Engineering Drawing (BCEDK103)	
For Computer Aided Engineering Drawing course - BCEDK103 having L:T:P Structure:- 2:0:2	7
3:0:2	8
3:2:0	9
4:0:0	10
2:2:0	11
3:0:0	12
0:0:2	13
For Social Connect & Responsibility course having L:T:P Structure:- 0:0:2	14
For Universal Human Values course having L:T:P Structure:- 1:0:0	15
For Physical Education course having L:T:P Structure:- 0:0:2	16
For National Service Scheme course having L:T:P Structure:- 0:0:2	17
For Yoga course having L:T:P Structure:- 0:0:2	18
For Ability Enhancement Course/ Skill Enhancement Course having L:T:P Structure:- 1:0:0	19
For Ability Enhancement Course/ Skill Enhancement Course having L:T:P Structure:- 0:0:2	20

Note: Kindly note the same and the evaluation patter for the concerned L:T:P to be followed meticulously.

For Courses having L:T:P Structure:- 1:0:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
1:0:0	Event 1 (E1)	Quiz 1	10	Not Applicable	40% of Maximum CIE Marks i.e., 20 Marks
	Three Quizzes- 10 Marks each	Quiz 2	10		
		Quiz 3	10		
		Event 2 (E2)	Experiential Learning		
Total Maximum Marks		50			

Note:

Quiz 1 shall be conducted preferably in the immediate next week of Test 1

Quiz 2 shall be conducted preferably before Test 2

Quiz 3 shall be conducted preferably in the immediate next week of Test 2

All the Quizzes shall be conducted using MOODLE Platform only

Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

List of Activities for Experiential Learning (Not limited to):

• Seminars on Extended Topics	• Industrial/ Field visits
• Mini Projects	• Individual/ Group Assignments (No Common Assignment to be given)
• Relevant self-paced online learning courses	• Simulation Studies
• Technical Games/ Activities	• Case studies
• Surveys	

Note: The above are the possible activities for Experiential Learning.

The Faculty can also follow any other suitable Experiential Learning activity exhibiting Higher Order Learning.

For Courses having L:T:P Structure:- 2:0:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
2:0:0	Event 1 (E1) Two Tests- 20 Marks each	Test 1	20	40% of Maximum CIE Marks i.e., 20 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	20		
	Event 2 (E2) Quiz- 10 Marks	Quiz 1	10		
	Note: Faculty can conduct more than one Quiz and take the average in deciding 10 mark component.				
	Total Maximum Marks		50		

Note:
Quiz 1 shall be conducted preferably between Tests 1 & 2
The Quiz must be conducted using MOODLE Platform only.
Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

For Courses having L:T:P Structure:- 2:2:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
2:2:2	Event 1 (E1) Two Tests- 25 Marks each	Test 1	25	40 % of Maximum Marks of Event 1 (E1) i.e., 20 Marks	From the combined three events (E1 + E2 + E3), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 (E2) Two Quizzes- 10 Marks each	Quiz 1	10	-		
		Quiz 2	10	-		
	Event 3 (E3) Lab- 20 Marks for Continuous Evaluation + 10 Marks for Test*	Lab - Continuous Evaluation	20	40 % of Maximum Marks of Event 3 (E3) i.e., 12 Marks		
		Test	10			
Total Maximum Marks		100				

Note:

Quiz 1- Questions may be based on Tutorial component and shall be conducted preferably during 6th / 7th week of the Academic Calendar

Quiz 2 - Questions may be based on Laboratory component and shall be conducted preferably during 13th / 14th week of the Academic Calendar

***At the end of the semester, a Lab test shall be conducted for 50 Marks and scaled down to 10 Marks; all the students should attend the test without fail**

All the Quizzes must be conducted using MOODLE Platform only.

Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

For Courses having L:T:P Structure:- 2:0:2*

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
2:0:2*	Event 1 (E1) Two Tests- 25 Marks each	Test 1	25	40 % of Maximum Marks of Event 1 (E1) i.e., 20 Marks	From the combined three events (E1 + E2 + E3), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 (E2) Two Quizzes- 10 Marks each	Quiz 1	10	-		
		Quiz 2	10	-		
	Event 3 (E3) Lab- 20 Marks Continuous Evaluation + 10 Marks Semester End Test**	Lab - Continuous Evaluation	20	40 % of Maximum Marks of Event 3 (E3) i.e., 12 Marks		
		Test	10			
Total Maximum Marks		100				

Note:
 *Except for the Course Computer Aided Engineering Drawing (BCEDK103)
 Quiz 1 - Shall be conducted preferably during the 6th / 7th week of the Academic Calendar
 Quiz 2 - Questions may be based on Laboratory component and shall be conducted preferably during the 13th / 14th week of the Academic Calendar
 **At the end of the semester, a Lab test shall be conducted for 50 Marks and scaled down to 10 Marks; all the students should attend the test without fail
 All the Quizzes must be conducted using MOODLE Platform only.
 Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

For CAED Course having L:T:P Structure:- 2:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
2:0:2 (CAED)	Event 1 (E1) Two Tests- 25 Marks each	Test 1	25	40 % of Maximum Marks of Event 1 (E1) i.e., 20 Marks	From the combined two events (E1 + E2), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 (E2) Two Assignments- 25 Marks each	Assignment 1	25	-		
		Assignment 2	25	-		
	Total Maximum Marks		100	-		

Note:

Assignment 1 – Students submission on projection of Points, Lines & Planes

Assignment 2 – Students submission on projection of Solids, Development of Surfaces & Isometric Projection

Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

For Courses having L:T:P Structure:- 3:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
3:0:2	Event 1 (E1) Two Tests- 25 Marks each	Test 1	25	40 % of Maximum Marks of Event 1 (E1) i.e., 20 Marks	From the combined three events (E1 + E2 + E3), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 (E2) Two Quizzes- 10 Marks each	Quiz 1	10	-		
		Quiz 2	10	-		
	Event 3 (E3) Lab- 20 Marks Continuous Evaluation + 10 Marks Semester End Test**	Lab - Continuous Evaluation	20	40 % of Maximum Marks of Event 3 (E3) i.e., 12 Marks		
		Test	10			
Total Maximum Marks		100				

Note:

Quiz 1 - Shall be conducted preferably during the 6th / 7th week of the Academic Calendar

Quiz 2 - Questions may be based on Laboratory component and shall be conducted preferably during the 13th / 14th week of the Academic Calendar

**At the end of the semester, a Lab test shall be conducted for 50 Marks and scaled down to 10 Marks; all the students should attend the test without fail

All the Quizzes must be conducted using MOODLE Platform only.

Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

For Courses having L:T:P Structure:- 3:2:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
3:2:0	Event 1 Two Tests- 25 Marks each	Test 1	25	40 % of total Marks of Event 1 (E1) i.e., 20 Marks	From the combined three events (E1 + E2 + E3), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 Two Quizzes- 10 Marks each	Quiz 1	10	-		
		Quiz 2	10	-		
	Event 3 Experiential Learning- 30 Marks	Experiential Learning	30	-		
Total Maximum Marks		100	-			

Note:

Quiz 1 Questions may be based on Tutorial component and shall be conducted preferably during the 6th / 7th week of the Academic Calendar
 Quiz 2 Questions may be based on Tutorial component and shall be conducted preferably during the 13th / 14th week of the Academic Calendar
 All the Quizzes must be conducted using MOODLE Platform only
 Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

List of Activities for Experiential Learning (Not limited to):

- | | |
|---|--|
| • Seminars on Extended Topics | • Industrial/ Field visits |
| • Mini Projects | • Individual/ Group Assignments (No Common Assignment to be given) |
| • Relevant self-paced online learning courses | • Simulation Studies |
| • Technical Games/ Activities | • Case studies |
| • Surveys | |

Note: The above are the possible activities for Experiential Learning.

The Faculty can also follow any other suitable Experiential Learning activity exhibiting Higher Order Learning.

For Courses having L:T:P Structure:- 4:0:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
4:0:0	Event 1 (E1) Two Tests- 25 Marks each	Test 1	25	40 % of Maximum Marks of Event 1 (E1) i.e., 20 Marks	From the combined three events (E1 + E2 + E3), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 (E2) Two Quizzes- 10 Marks each	Quiz 1	10	-		
		Quiz 2	10	-		
	Event 3 (E3) Experiential Learning- 30 Marks	Experiential Learning	30	-		
	Total Maximum Marks		100	-		

Note:
Quizzes 1 & 2- Questions shall be based on the Modules of the course.
The questions for the Quiz 1 shall be preferably selected from Modules 1 & 2 and for Quiz 2 they shall be preferably based on Modules 3, 4 & 5 (if applicable). All the Quizzes must be conducted using MOODLE Platform only.
Self learning topics to be evaluated in test/ quiz/ other assessment, but the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

List of Activities for Experiential Learning (Not limited to):

<ul style="list-style-type: none"> • Seminars on Extended Topics • Mini Projects • Relevant self-paced online learning courses • Technical Games/ Activities • Surveys 	<ul style="list-style-type: none"> • Industrial/ Field visits • Individual/ Group Assignments (No Common Assignment to be given) • Simulation Studies • Case studies

For Courses having L:T:P Structure:- 3:0:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement of CIE				Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)			
3:0:0	Event 1 (E1) Two Tests- 25 Marks each	Test 1	25	40 % of Maximum Marks of Event 1 (E1) i.e., 20 Marks	From the combined three events (E1 + E2 + E3), a Minimum of 40% of Maximum CIE marks is to be scored to be eligible for appearing in the Semester End Examination (SEE). i.e., 40 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
		Test 2	25			
	Event 2 (E2) Two Quizzes- 10 Marks each	Quiz 1	10	-		
		Quiz 2	10	-		
	Event 3 (E3) Experiential Learning- 30 Marks	Experiential Learning	30	-		
Total Maximum Marks		100	-			

Note:

Quizzes 1 & 2- Questions shall be based on the Modules of the course.

The questions for the Quiz 1 shall be preferably selected from Modules 1 & 2 and for Quiz 2 they shall be preferably based on Modules 3, 4 & 5 (if applicable). All the Quizzes must be conducted using MOODLE Platform only.

Self learning topics to be evaluated in test/ quiz/ other assessment, but the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

List of Activities for Experiential Learning (Not limited to):

• Seminars on Extended Topics	• Industrial/ Field visits
• Mini Projects	• Individual/ Group Assignments (No Common Assignment to be given)
• Relevant self-paced online learning courses	• Simulation Studies
• Technical Games/ Activities	• Case studies
• Surveys	

Note: The above are the possible activities for Experiential Learning.

The Faculty can also follow any other suitable Experiential Learning activity exhibiting Higher Order Learning.

For Courses having L:T:P Structure:- 0:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Test (SET)	Passing Criteria	
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Test (SET)			
0:0:2	Event 1 (E1) Lab- 40 Marks for Continuous Evaluation + 10 Marks for Test*	Lab - Continuous Evaluation	40	40% of Maximum CIE Marks i.e., 20 Marks	50 Marks	40% of Maximum CIE Marks AND 40% of Maximum SET Marks
		Test	10			
	Total Maximum Marks		50			

Note:

*At the end of the semester, a Lab test shall be conducted for 50 Marks and scaled down to 10 Marks; all the students should attend the test without fail

For Social Connect & Responsibility course having L:T:P Structure:- 0:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
(SCR) 0:0:2	Event 1 (E1)	Marks allotted for the Diary	20	Not Applicable	40% of Maximum CIE Marks i.e., 40 Marks
	Event 2 (E2)	Planning & Scheduling the Social Connect	10		
	Event 3 (E3)	Information/ Data collected during the Social Connect	20		
	Event 4 (E4)	Analysis of the information/ data and report writing	30		
	Event 5 (E5)	Final Presentation	20		
	Total Maximum Marks		100		

For Universal Human Values course having L:T:P Structure:- 1:0:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
(UHV) 1:0:0	Event 1 (E1)	Test 1	20	40% of Maximum CIE Marks i.e., 20 Marks	40% of Maximum CIE Marks AND 40% of Maximum SEE Marks
	Event 2 (E2)	Test 2	20		
	Event 3 (E3)	Quiz	10		
	Total Maximum Marks		50		
				50 Marks	

Note:
Quiz- Questions shall be based on all the Modules of the course and must be conducted using MOODLE Platform only.

For Physical Education course having L:T:P Structure:- 0:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
(PE) 0:0:2	Event 1 (E1)	Participation of student in all the modules	20	40% of Maximum CIE Marks i.e., 40 Marks	40% of Maximum CIE Marks i.e., 40 Marks
	Event 2 (E2)	Quizzes – 2, each of 15 marks	30		
	Event 3 (E3)	Final presentation / exhibition / Participation in competitions/ practical on specific tasks assigned to the students	50		
	Total Maximum Marks		100		
				No SEE	

For National Service Scheme course having L:T:P Structure:- 0:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
(NSS) 0:0:2	Event 1 (E1)	Selection of topic and Idea pitching (Experiential learning)	15	40% of Maximum CIE Marks i.e., 40 Marks	40% of Maximum CIE Marks i.e., 40 Marks
	Event 2 (E2)	Field Visit, Plan, Discussion (Commencement of activities and its progress)	25		
	Event 3 (E3)	Case study based Assessment with report	20		
	Event 4 (E4)	Sector wise study & its consolidation	20		
	Event 5 (E5)	Video based seminar for 10 minutes by each Student/ Group. At the end of semester consolidated report should be submitted.	20		
	Total Maximum Marks		100		

For **Yoga** course having L:T:P Structure:- 0:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
(YO) 0:0:2	Event 1 (E1)	Practical demonstration	60	40% of Maximum CIE Marks i.e., 40 Marks	40% of Maximum CIE Marks i.e., 40 Marks
	Event 2 (E2)	Quiz	20		
	Event 3 (E3)	Attendance	20		
	Total Maximum Marks		100		
				No SEE	

For Ability Enhancement Course/ Skill Enhancement Course

For L:T:P Structure:- 1:0:0

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
AEC/ SEC 1:0:0	Event 1 (E1) Three Quizzes- 10 Marks each	Quiz 1	10	Not Applicable	40% of Maximum CIE Marks i.e., 20 Marks
		Quiz 2	10		
		Quiz 3	10		
	Event 2 (E2) Experiential Learning- 20 Marks	Experiential Learning	20		
Total Maximum Marks		50			

Note:

Quiz 1 shall be conducted preferably in the immediate next week of Test 1

Quiz 2 shall be conducted preferably before Test 2

Quiz 3 shall be conducted preferably in the immediate next week of Test 2

All the Quizzes shall be conducted using MOODLE Platform only

Self learning topics to be evaluated in test/ quiz/ other assessment, the weightage of marks for the evaluation of such topics should not be more than 10% of the maximum CIE marks.

List of Activities for Experiential Learning (Not limited to):

- | | |
|---|--|
| • Seminars on Extended Topics | • Industrial/ Field visits |
| • Mini Projects | • Individual/ Group Assignments (No Common Assignment to be given) |
| • Relevant self-paced online learning courses | • Simulation Studies |
| • Technical Games/ Activities | • Case studies |
| • Surveys | |

Note: The above are the possible activities for Experiential Learning.

The Faculty can also follow any other suitable Experiential Learning activity exhibiting Higher Order Learning.

For Ability Enhancement Course/ Skill Enhancement Course

For L:T:P Structure:- 0:0:2

L:T:P	Details of Continuous Internal Evaluation (CIE) pattern and minimum requirement in CIE			Semester End Exam. (SEE)	Passing Criteria
	Events	Max. Marks	Minimum Marks to be scored in CIE to be eligible for appearing in the Semester End Examination (SEE)		
AEC/ SEC 0:0:2	Event 1 (E1) Lab- 40 Marks for Continuous Evaluation + 10 Marks for Test*	Lab - Continuous Evaluation	40	Not Applicable	40% of Maximum CIE Marks i.e., 20 Marks
		Test	10		
	Total Maximum Marks		50		

Note:

*At the end of the semester, a Lab test shall be conducted for 50 Marks and scaled down to 10 Marks; all the students should attend the test without fail

Note: All events are compulsory & the students must attend all of them

Attendance requirements:

- Every prescribed course shall be considered as a unit for the calculation of attendance. All students are required to attend all the lectures, tutorials, practicals, and other prescribed curricular and co-curricular activities, and thus the attendance is 100%.
- **The minimum attendance requirement shall be 85% of the classes held; to be eligible for appearing in the Semester End Examination (SEE).**
- In an integrated course, the student must obtain the minimum attendance requirement in both theory and practical classes.
- In a practical course, if student misses four consecutive weeks of class without any prior permission, he / she shall not be eligible to write the **Semester End Examination** and will be awarded with 'DX' grade in that course irrespective of his/ her academic performance. The students have to reregister for the course when it is offered next time (Odd semester courses in Odd semester and Even semester courses in Even semester).
- The basis for the calculation of attendance shall be the period prescribed by the Institute by its academic calendar of events and as notified by the Dean (Academic Affairs).

Note: The Regulation may be modified in future based on guidelines/ directions issued by MHRD/UGC/AICTE/VTU/ Institute Academic Council.
