3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted provisional accreditation. The National Institute of Engineering, Manandavadi Road, Mysore- 570 008, Karnataka should submit the Compliance Report at least six months before the expiry of validity of provisional accreditation. It will require submission of pe-qualifiers before sending the Compliance Report for granting further accreditation.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to The National Institute of Engineering, Manandavadi Road, Mysore- 570 008, Karnataka as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
